Clyde Thomason Detachment # 1325  
Serving Coweta and Fayette Counties, Georgia

Dear Friend of the Marine Corps League:

In 2012, the local detachment of the Marine Corps League, the Clyde Thomason Detachment #1325, will be hosting the Georgia Department Marine Corps League Convention. Approximately 200 to 250 veteran Marines and their guests from throughout the Great State of Georgia will be attending this convention, which will be held May 18<sup>th</sup> through the 20<sup>th</sup> in Peachtree City, Georgia. The Marine Corps League is a Congressionally Chartered Veterans Service Organization with the IRS granting contributions to the League and its Detachments to be tax deductible. League members are Marines, FMF Navy Corpsmen, and friends of the Marine Corps. The League's major functions are to assist disabled, elderly and veteran Marines and their families, Toys 4 Tots and any other need of our brother Marines/FMF Corpsmen. We also assist those that are currently serving. The Clyde Thomason Detachment #1325 is proud to serve Coweta and Fayette County.

The highlight of the Convention will be the Banquet and Awards Ceremony on Saturday evening, May 19, 2012. The Guest Speaker will be Vic Voltaggio, who is the National Commandant of the Marine Corps League. Other notable guests are expected to attend and they will be announced as they confirm their attendance.

A Convention Program will be given to every attendee. We are asking Coweta and Fayette County Businesses and other commercial establishments to purchase advertisements for the program or to make donations of products and services to the Clyde Thomason Detachment. Those businesses choosing a cash or product/service donation will be prominently recognized in our program. A copy of the program will be supplied to you after the Convention to provide you with documentation of your ad and contribution. If you wish to make a charitable donation instead of an ad, please make note to the effect and we will provide you with the Contribution Acknowledgement.

The costs of the ads are:
